YHWH's Victory

Read 1 Samuel 14:15-23.

- 1. How does YHWH turn Jonathan's small victory into a major victory for Israel?**
- 2. What does Saul do to show (again) his spiritual foolishness? Why does YHWH give Israel the victory despite Saul's foolishness?**
- 3. Where is Christ in this victory?**
- 4. How can the Body of Christ be like Christ and Jonathan, and avoid being like Saul?**
- 5. Have you tried to manipulate God? How can you become more like Christ this year and work with God and His Kingdom, rather than try to get God to work for you?**
