### **FEBRUARY 2023**

We've got plenty of things in the hopper as we prepare for our Church Family Meeting happening after service on Sunday, February 26. We'll meet in the Fireside Room over a potluck together to discuss some important updates. Unfortunately, we aren't able to use our normal livestreaming gear in the Fireside Room, but we will capture a lower-quality video that will be available upon request if you are unable to attend.

As we announced earlier this month, we've had two men sitting with us for several months now. Mike Beacham and Josh Hamilton have joined our meetings and shadowed us in the work we do. After much prayer and a successful interview, both men still feel led to join us. We'd like to open up a two week period for this church body to offer us feedback from February 5-19. You can email us at [elders@colecommunity.org](mailto:elders@colecommunity.org) or talk to any one of us during that time.

Looking forward to sharing more about our work and what God is doing here at Cole Community later this month.

In Him,

Elder Board
