Elder Updates

April was a busy and enjoyable month for everyone. Palm Sunday, Easter, vision lunches, and guest preachers blessed us greatly and made the month fly by. As we enter May we are looking forward to continuing further into the book of Corinthians with both Chuck and Jason.

As we transition into May things will continue to be active at church. One of the additional activities we will have is a family meeting after church on May 21st and we will have a number of updates on current items and some new developments to tell you about. Topics will include the current church merge exploration, a brief update on Deacons, some business pertaining to both the church and school and more. As always there will be plenty of time for questions from the church body.

In Him,
Jim, Jim, Josh, and Mike
