MOROCCO EARTHQUAKE FUND

Morocco experienced a severe earthquake on September 15, and our global outreach workers Allan and Patricia Matamoros have worked with a growing community of Muslim-background believers and Latin American global outreach workers who were living in the earthquake's epicenter. They are requesting our prayer and financial help in this time of crisis. These workers live with and minister to people who now need the basic necessities of life (food, medicine, and shelter).

You can give by check to Cole to the World with a note that it is for the "Morocco Earthquake" or by going online to ColeCommunity.org, selecting "Give" from the top right corner, and selecting "Morocco Earthquake" in the dropdown as you fill out the form.

MESSAGE FROM DOROTHY FLINTZER

Thank you so much for all the prayers! I am having 23 radiation treatments to help target and destroy any stray pre-cancerous cells. These began on August 28th and continue (5 days a week) until September 28th. Our God is faithful to continue carrying us through all our challenges, and both Rich and I are thankful for that!

Love in Christ,

Elder Updates

Happy October everyone! Isn't autumn the absolute best time to live in our Treasure Valley? Some of the sunrises and sunsets have been stunning. Hey, we had a good family meeting together on September 17th. Thank you for attending. If you didn't get a chance to be there, a recording is available on request. Just let us know.

We also want to thank you for being so supportive of us getting away for an Elder Retreat. It was a good time of focused prayer, vision discussion, sorting through issues, and getting to know each other better. We'd love to have another chance to do that at some point in the near term. If anyone has a cabin or nice place for us to get away for a short time and is willing to let us enjoy it please let us know.

As we start our 9-week series on the Beatitudes, we are looking forward to learning more from the heart of our Savior as He shared on those hills above the Sea of Galilee. We want to take advantage of the time afforded to us by our Rock Harbor Team to evaluate the proposals we have been given by three of our local churches. We are also planning on consulting with some godly pastors and shepherds who know our church situation well for counsel on these proposals we have before us.

Finally, we want to highlight our new Deacon Steve Harrell. Steve is the Deacon of Volunteer Lead Teaching Ministries and has hit the ground running. We are so thankful for his energy, wisdom and leadership. Please take a minute next time you see him to thank him for the encouraging spirit that he brings to our body.

In Him,

Jim, Jim, Josh, and Mike
