A Note From The Pastor

Dear church family,

I'm so glad that you had the opportunity to hear from Pastor Tucker Maile from Calvary Boise last week. It's so important to keep building relationships in our partnership in this stage of our revitalization. At the same time, I felt a sense of sadness in being away from you so soon in our journey, and I missed being at Cole Community last Sunday!

In addition to being away last Sunday, this past week I had the opportunity to attend a conference that focused on what it means to be the church. It was a timely chance for me to get away and consider some themes that will help us at Cole Community forward. One theme that keeps coming back over and over again is that of being family. That is what the church is—family. To express that reality of being family, I want to invite all the young couples and singles to my house this coming Friday for a meal to get to know each other better! And I can't wait for other opportunities to get together with each of you that calls Cole Community your church family. I'm praying this identity of the church would give us great love, unity and strength in the coming days!
