THANK YOU FOR YOUR COMPASSION FOR OUR LOSS

Thank you for your compassion, your prayers and your love during this time since Odo went to be with Jesus. Although we are deeply grieving his presence in our lives here, we are profoundly grateful to all of you for your help and generosity to our family. Thank you to all of you who provided lunch, thank you to all of you who helped take care of the many details for Dad's service, and thank you for the outpouring of cards, messages, gifts and comfort. We found solace in sharing Dad's life with you and hearing your stories about him in return. Thank you so much! You have displayed the body of Christ in a wonderful way.

April Elder Update 2024

Hello to our fellow brothers and sisters in Christ,

It has been so encouraging to see the ways that God has been working at Cole Community Church in the few short months since we began our church revitalization!

We just finished reading "Paul and His Team," together as an Elder team. In it, the author talks about the value of having supportive teams and strong relationships within those teams. In many ways, the Elder team of the last several years was a good team, but it's amazing what bringing Kirk into the fold has done! The Lord has provided him with many gifts in places that we needed them. As we grow in our relationship together, please be praying for us to be honest, caring, trusting, and graceful with each other. We truly appreciate the support we feel from you all. In turn, we do ask that you also be gracious, trusting, caring, and honest with us.

Let us remember the words of Jesus to, "Love the Lord your God with all your heart, all your mind, and all your soul'. This is the first and greatest commandment. The second is like it, 'Love your neighbor as yourself.'" Our church is dear to each one of us, and we are each dear to God. May we show that love to everyone we encounter in this body and to everyone in this community that we are a part of.

Faithfully, *Kirk, Jim, Jim, Josh, and Mike*
