Weekly Note From The Pastor

Dear church family,

I'm so thankful for the first two months together in our Revitalization effort, culminating at our Easter Service last week!

I wanted to highlight a few praises I've seen so far. We've had the privilege to be learning together from such a rich book of the Bible, Hebrews! God's word is so powerful and timely, and I believe the encouragement to focus on Jesus in this book has been exactly what we've all needed during transition. We've prayed for 40 days leading up to Holy Week, and I believe we will see more fruit in the coming months from this time. (Keep praying!) Our outreach team led another great Easter outreach with more than 100 families coming through our doors for the Egg Hunt, and we've seen the visible effects of Revitalization as we chart a new path forward for the look and the use of our building.

As we continue on in Phase One of the Revitalization we continue to build family and relationships. Because it's been very busy, I haven't yet been able to meet with as many people or families as I would have liked. So, to keep growing in relationship, I've provided a way to schedule a coffee or lunch with me during the week. Please take advantage of this and schedule a time so we can sit down and get to know each other better! And, don't forget we have a church family meeting next week. Because of growth and space, we will have our Sunday worship gathering with tables in the auditorium next Sunday and transition right into a time of food and sharing. Feel free to email me any questions you have ahead of time at [kirk@colecommunity.org](mailto:kirk@colecommunity.org).

-Pastor Kirk Crager
