**SAVE THE DATE FOR THE LATIN AMERICA ENCOURAGEMENT TRIP VISION LUNCH**

You are warmly invited to share lunch and hear about Global Outreach's recent trip to Latin America at our vision meeting, planned for May 19 after church at 11:30 A.M. in the Fireside Room.

**"MADE FOR THIS" LOCAL OUTREACH CAMP TEAM**

This summer, we'll host a "Made For This" three day sports and arts camp offsite on June 18-20 from 6-8 P.M. each night, and we're building our team to help with this outreach.

If you have knowledge or skill in a sport (soccer, basketball, frisbee, etc.) or art (drawing, painting, etc.) that you could use to serve elementary age kids, we'd love to have you join the team! We'll also need help with things like snacks, check-ins, parent relations, and more. Email Kirk at [kirk@colecommunity.org](mailto:kirk@colecommunity.org) or complete the form using the QR code above.

**We're holding a vision and training session to learn more on Sunday, May 19 at 6 P.M. for volunteers to learn more and help us plan for the camp.**

May Elder Update 2024

Dear church family,

Happy Mother's Day to all you wonderful Moms out there. We are thankful for each one of you who have given so much of your lives to the care and raising of children of God. We pray that the Lord will encourage you and remind you of His great love for each of you.

Summer is upon us, and we're excited for warmer weather and continued fellowship as we continue Phase One of our Revitalization. We continue to dine together with Elders and our families to grow closer as a group. The better we know and understand each other, the more effectively we can work together as a team, and the better we can support and pray for one another. We are all part of the body of Christ, working together to love and serve the Lord.

This is similar to the meals the whole body just enjoyed during the latest round of "Supper For Six." We hope you had as much fun as we did at our gatherings, and thank you to all of our gracious hosts for opening your homes and to our talented chefs for cooking delicious dishes. There will be more opportunities to grow together in community as a body this summer, and we want to challenge you to continue that same intentionality in growing relationships with others on your own.

Next week, we'll have the opportunity to hear from the team who went to visit our Latin America Global Outreach Workers. Look for more information soon so we can all share in the joy of how the Gospel reaches Latin America through our teams.

We thank God for such a loving and caring congregation and pray in turn for you to be sustained in the hope of Christ and filled with the Spirit of the Lord. We're excited for how God is leading our body, and what He has in store for each of us in the coming months and years.

In Him, Jim, Jim, Josh, Mike + Kirk
