A NOTE FROM THE EVANS

We want to update you on Steve's journey through the world of cancer treatment. After six months of immune and chemo therapy treatments to help control the Non Hodgkin Follicular Lymphoma that was diagnosed in 2020, the cancer had responded exceptionally well. However, shortly after that treatment ended, Steve noticed a mass developing on his body, and testing showed two cancerous masses of Diffuse Large B Cell Lymphoma.

Steve began new round of immune and chemo therapies last week. A full update is in this week's email, but we value your prayer beyond measure.

Blessings and love,
Patty and Steve Evans

A Note From The Pastor _____

Dear church family,

Happy Father's Day to all you dads out there! Every week We're doing these weekly videos just with a little thought, and this week I want to continue to share with you just a little bit out of the devotional that we've been going through as an elder team. This week we looked at Phillipians 4:12 -13, and I especially love this.

Paul says, "I know how to be brought low and how to abound in every and any circumstance. I have learned the secret of facing plenty and hunger, abundance and need. I can do all things through Christ who strengthens me." So I love in the Bible when it says, "Hey, I've got a secret to tell you," and that's what Paul says right here. "I have learned a secret." So if somebody tells you, like, "I've learned a secret you want to know," and here he says, "I've learned the secret of how to do anything, abound, or be low in life," and that is, "I can do it all through Christ who strengthens me."

There are so many applications to that for our church. We've gone through some lows, and hopefully, we'll see some high times going forward. But really, the secret of contentment is to be content that Christ is ordaining our circumstances, whether they are high, physical reality, spiritual realities, emotional realities... all of these things are ordained by God who is sovereign.
