MEETINGS IN THE BEREAN AND FIRESIDE ROOMS THIS JULY

As we prepare for some renovations in the Fireside and the Berean rooms, we want to remind everyone that things may look different or be displaced leading up to the painting and other changes. Please see the coming month as an opportunity to see with eyes of faith as things may look different or disheveled. Staff and volunteer teams are working hard to minimize impact on any pre-scheduled meetings. Thank you!

JOIN US TODAY FOR THE BROWN'S VISION LUNCH

Please join us today as we welcome Dan and Monica Brown to Boise and Cole Community Church. We'll gather for a vision lunch today at 11:30 A.M. in the Fireside Room to hear updates about their ministry in the Arab Peninsula.

WORSHIP SOUND (WHERE TO SIT AND WHY)

Each week our AV/Tech team seeks to serve our church body best during our Sunday gatherings with the right mix of sound. That is a difficult challenge given that we meet in a gym with brick walls, and we're still working on our acoustic plan.

If the music is too loud for you, we encourage you to sit near the back and on the left of the stage (as you face it). If the music is too quiet for you, we encourage you to sit closer to the front and the middle in our gatherings.
